

ARE YOU REGISTERED?

Are you registered on your member website? If not, take a couple of minutes to complete an online form and choose a login ID and password. Your information will process promptly.

These couple of minutes will be time well spent. Your member website gives you all kinds of tools and programs to help you:

- Understand your health status, learn what you're doing right and where you need to improve.
- Better manage all aspects of a chronic health condition.
- Enhance your health and wellness habits.
- Get quality information and patient reviews on health care providers.
- Share your own experience with health care providers.
- Get estimated cost information on common health care procedures and surgeries.
- Access important medical information to make informed care decisions.
- Learn about healthy alternatives to high-cost, high-risk surgeries.
- Review recommended preventive care for all members of the family, at every stage of health.

- Save money on prescription drugs, lab services and urgent care.
- Get the tools you need to reduce stress, eat healthy, get fit and stop smoking, for good! And lots, lots more!
