

# Williamsburg Community SD

## Student Assistance Program

---

Dear \_\_\_\_\_,

Your child \_\_\_\_\_, has been referred to the Student Assistance Program (SAP) here at Williamsburg High School. This voluntary program is available to offer supportive services to students experiencing academic, behavioral, and/or emotional difficulties that may pose barriers to school success.

The SAP team is comprised of specially trained teachers, principal, school counselor, school nurse, and a mental health and prevention specialist. Our goal is to offer support to referred students through regular contact with team members. Where barriers are beyond the scope of the school, the team can provide information so families may access community resources.

Please sign the permission slip below and return it in the self-addressed envelope within three days so the SAP team can provide services for your child.

Parents are encouraged to be involved in this process. SAP team members are willing to discuss with you the referral and your concerns with your child. If you have any questions about the SAP team, please call the school counselor, Carrie Loose, at 832-2125.

---

\_\_\_\_\_ I give my permission for the Williamsburg Community School District SAP team to provide services for my child.

\_\_\_\_\_ I DO NOT give my permission for the Williamsburg Community School District SAP team to provide services for my child.
