

## **Section: Narratives - Assessing Impacts and Needs**

### **LEA ARP ESSER APPLICATION**

The Pennsylvania Department of Education (PDE) recognizes the extraordinary efforts made by Local Education Agencies (LEAs), schools, and educators to support students during the COVID-19 pandemic. The application below requests information from LEAs about: (1) Needs and impacts resulting from the pandemic, (2) Stakeholder engagement in the development of local plans to respond to these needs and impacts, (3) Specific elements in the LEA Plan for the Use of ARP ESSER Funds; and (4) Plans for monitoring and measuring progress. As submitted and accepted by PDE in final form, this application shall become part of the Grant Agreement for ARP ESSER funds as Appendix B. As used in this application, "the LEA" refers to the Grantee defined in the Grant Agreement.

ARP ESSER includes a significant focus on vulnerable student populations. Given these requirements, as well as PDE's own equity commitments, the LEA application includes specific fields requesting information on programs to serve student groups that have experienced disproportionate impacts from the pandemic. Student groups are inclusive of the following:

- Students from low-income families;
- Students from each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race or ethnicity);
- Gender (e.g., identifying disparities and focusing on underserved student groups by gender);
- English learners;
- Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act [IDEA]);
- Students experiencing homelessness;
- Children and youth in foster care;
- Migrant students; and
- Other groups disproportionately impacted by the pandemic that have been identified by the LEA (e.g., youth involved in the criminal justice system, students who have missed the most in-person instruction during the 2019-2020 and 2020-2021 school years, students who did not consistently participate in remote instruction when offered during school building closures, and LGBTQ+ students).

### **Section I: Assessing Impacts and Needs**

In this first section, LEAs are asked to describe the impact of the pandemic on their students, examine disproportionate impacts on specific student groups, and highlight the LEA's promising practices in supporting student needs since March 2020.

#### **Indicators of Impact**

1. Understanding the Impact of the COVID-19 Pandemic: Describe how the LEA has identified or will identify the extent of the impact of the COVID-19 pandemic on student learning and well-being.

Specifically, what methods (i.e., collecting and analyzing data and information from focus groups, surveys, and local assessment results) were used or will be used to identify and measure impacts in four key areas: (1) Academic impact of lost instructional time, (2) Chronic absenteeism, (3) Student engagement, and (4) Social-emotional well-being?

	<b>Methods Used to Understand Each Type of Impact</b>
<b>Academic Impact of Lost Instructional Time</b>	WCSD will collect and analyze data such as MAPS, DIBELS, Study Island and curriculum based assessments to determine learning loss due to COVID-19.
<b>Chronic Absenteeism</b>	WCSD will utilize our student management system to track chronic absenteeism.
<b>Student Engagement</b>	WCSD will administer a school climate survey to assess student engagement.
<b>Social-emotional Well-being</b>	WCSD will utilize a school climate survey and SEL curriculum to assess social-emotional well-being.
<b>Other Indicators</b>	

**Documenting Disproportionate Impacts**

2. Identify **at least three student** groups in the LEA that faced particularly significant impacts from the pandemic. For each, provide specific strategies that were used or will be used to identify and measure impacts.

<b>Student Group</b>	<b>Provide specific strategies that were used or will be used to identify and measure impacts</b>
Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act [IDEA])	During the 2020-21 school year, WCSD provided in person learning in small groups to students with disabilities during school closures. WCSD will continue to assess and progress monitor students with disabilities to determine instruction.
Students from low-income families	WCSD will assess, collect and analyze data to determine the needs of students.
Other groups disproportionately impacted by the pandemic that have been identified by the LEA (See Help Text for examples)	During school closures, WCSD had students disengage from instruction. We continue to monitor those students and their social-emotional well being utilizing SEL curriculum and social work.

**Reflecting on Local Strategies**

3. Provide the LEA’s assessment of the top two or three strategies that have been most effective in supporting the needs of students, in particular specific student groups most impacted by the COVID-19 pandemic. Include at least one strategy addressing **academic needs** and at least one strategy addressing **social-emotional needs**.

	Strategy Description
<b>Strategy #1</b>	WCSD provided synchronous instruction during virtual learning. This provided students and staff to maintain a consistent school schedule as well as face to face interaction.

i. **Impacts that Strategy #1 best addresses:** (select all that apply)

- Academic impact of lost instructional time**
- Chronic absenteeism**
- Student engagement**
- Social-emotional well-being**
- Other impact**

ii. **If Other is selected above, please provide the description here:**

iii. **Student group(s) that Strategy #1 most effectively supports:** (select all that apply)

- Students from low-income families**
- Students from each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race or ethnicity)**
- Gender (e.g., identifying disparities and focusing on underserved student groups by gender)**
- English learners**
- Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act (IDEA))**
- Students experiencing homelessness**
- Children and youth in foster care**
- Migrant students**

Other student groups: (provide description below)

iv. If Other is selected above, please provide the description here.

**Reflecting on Local Strategies: Strategy #2**

	Strategy Description
Strategy #2	During school closures due to the pandemic students eligible for emotional support services through special education continued to receive those emotional support services in live sessions via virtual learning.

i. Impacts that Strategy #2 best addresses: (select all that apply)

- Academic impact of lost instructional time
- Chronic absenteeism
- Student engagement
- Social-emotional well-being
- Other impact

ii. If Other is selected above, please provide the description here:

iii. Student group(s) that Strategy #2 most effectively supports: (select all that apply)

- Students from low-income families
- Students from each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race or ethnicity)
- Gender (e.g., identifying disparities and focusing on underserved student groups by gender)
- English learners
- Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act (IDEA))
- Students experiencing homelessness

- Children and youth in foster care
- Migrant students
- Other student groups: (provide description below)

iv. If Other is selected above, please provide the description here.

**Reflecting on Local Strategies: Strategy #3**

	Strategy Description
Strategy #3	

i. Impacts that Strategy #3 best addresses: (select all that apply)

- Academic Impact of Lost Instructional Time
- Chronic absenteeism
- Student engagement
- Social-emotional well-being
- Other impact

ii. If Other is selected above, please provide the description here:

iii. Student group(s) that Strategy #3 most effectively supports: (select all that apply)

- Students from low-income families
- Students from each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race or ethnicity)
- Gender (e.g., identifying disparities and focusing on underserved student groups by gender)
- English learners
- Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act (IDEA))
- Students experiencing homelessness

- Children and youth in foster care
- Migrant students
- Other student groups: (provide description below)

iv. If Other is selected above, please provide the description here:

## **Section: Narratives - Engaging Stakeholders in Plan Development**

### **Section II: Engaging Stakeholders in Plan Development**

In this second section, LEAs are asked to provide information on how stakeholders will be engaged in planning for the use of ARP ESSER funds, how stakeholder input will be utilized, and how the LEA will make its LEA Plan for the Use of ARP ESSER Funds transparent to the public—all critical components in developing, implementing, and adjusting plans based on the differential impacts of the COVID-19 pandemic.

#### **4. Stakeholder Engagement**

Describe how the LEA, in planning for the use of ARP ESSER funds, has engaged or will engage in meaningful consultation with stakeholders. **(3,000 characters max)**

(Stakeholders include students; families; school and district administrators (including special education administrators); teachers; principals; school leaders; other educators; school staff; and unions. In addition, to the extent that the following groups are present in or served by the LEA, stakeholders also include community partners, civil rights organizations (including disability rights organizations); stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children and youth in foster care, migrant students, children who are incarcerated, and other underserved students; and tribes.)

The Williamsburg Community School District will engage teachers, administrators, students and families in the planning and usage of ARP ESSER funds. This will be done through possible surveys and discussions of student, family and District needs.

#### **5. Use of Stakeholder Input**

Describe how the LEA has taken or will take stakeholder and public input into account in the development of the LEA Plan for the Use of ARP ESSER Funds. **(3,000 characters max)**

The LEA's plan for the use of ARP ESSER funds will be placed on the WCSD board meeting agenda. This will allow the public to provide input regarding the development of the plan.

#### **6. Public Access to LEA Plan for the Use of ARP ESSER Funds**

Describe the process for development, approval, and making public the LEA Plan for the Use of ARP ESSER Funds. The LEA Plan for the Use of ARP ESSER Funds must be made publicly available on the LEA website and submitted to PDE within 90 days of LEA receipt of ARP ESSER funding, must be written in a language that parents/caregivers can understand, and must be provided in alternate format upon request by a parent/caregiver who is an individual with a disability. **(3,000 characters max)**

Stakeholder groups as noted above will be utilized in the creation of the LEA Plan for the use of ARP ESSER funds. This plan will be approved and made public on the District website.

## **Section: Narratives - Using ARP ESSER Funds to Plan for Safe, In-Person Instruction**

### **Section III: Using ARP ESSER Funds to Plan for Safe, In-Person Instruction**

In this third section, LEAs are asked to reflect on both the impacts and needs described in Section I and stakeholder engagement described in Section II to provide a description of the LEA plan for the use of ARP ESSER funds, beginning with the minimum 20 percent reservation, to address the impact of lost instructional time as required by section 2001(e)(1) of the ARP Act.

**Instructions:** For both (a) the 20 percent reservation to address the impact of lost instructional time and (b) remaining funds, describe the LEA's principles for emphasizing educational equity in expending ARP ESSER funds, including but not limited to:

- Responding to students' academic, social, emotional, and mental health needs, and addressing opportunity gaps that existed before—and were exacerbated by—the pandemic.
- Allocating funding to individual schools and for LEA-wide activities based on student need.
- Implementing an equitable and inclusive return to in-person instruction. An inclusive return to in-person instruction includes, but is not limited to, establishing policies and practices that avoid the over-use of exclusionary discipline measures (including in- and out-of-school suspensions) and creating a positive and supportive learning environment for all students.
- Taking steps to permit students, teachers, and other program beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability, and age) that impede equal access to, or participation in, the ARP ESSER-supported program, in compliance with the requirements of section 427 of GEPA (20 U.S.C. 1228a).
- Attending to sustainability of plans supported by non-recurring ARP ESSER funds beyond the ARP ESSER funding period.

### **7. Plan for 20 percent Reservation to Address the Impact of Lost Instructional Time (Learning Loss)**

How will the LEA use the funds it reserves under section 2001(e)(1) of the ARP Act to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs? **(3,000 characters max)**

The response must include:

- a. A description of the evidence-based interventions (e.g., providing intensive or high-dosage tutoring, accelerating learning) the LEA has selected, and how the LEA will evaluate the impact of those interventions on an ongoing basis to determine effectiveness.
- b. How the evidence-based interventions will specifically address the needs of student groups most disproportionately impacted.
- c. The extent to which the LEA will use funds it reserves to identify, engage, and support (1) students who have missed the most in-person instruction during the 2019-2020 and 2020-2021 school years; and (2) students who did not consistently participate in remote instruction when offered during school building closures.

The interventions the District will utilize are after school tutoring for all students in grades K-12 and summer learning for all K-12 students. The District will implement pre and post program evaluations of the learning to determine the effectiveness of the programs. The interventions will address the needs of students determined to have learning loss due to the pandemic. MAPS assessments will be used to determine the learning loss. Data from virtual learning will be utilized to identify students who did not consistently participate in virtual learning during school closures.

**8. Plan for Remaining Funds** *(funds not described under the question above)*

How will the LEA spend its remaining ARP ESSER funds including for each of the four fields below, as applicable? **(3,000 characters max)**

- a. Continuity of Services: How will the LEA use ARP ESSER funds to sustain services to address students' academic needs; students' and staff social, emotional, and mental health needs; and student nutrition and food services?
- b. Access to Instruction: How will the LEA use ARP ESSER funds to support the goals of increasing opportunity to learn and equity in instructional delivery? Consider regular attendance/chronic absenteeism data from the 2020-21 school year, including data disaggregated by student groups, in developing the response.
- c. Mitigation Strategies: How will the LEA use ARP ESSER funds to support prevention and mitigation policies in line with the most up-to-date guidance from the Centers for Disease Control and Prevention (CDC) for the reopening and operation of school facilities and transportation services to effectively maintain the health and safety of students, educators, and other staff? Consider the LEA's Health and Safety Plan in developing the response.
- d. Facilities Improvements: How will the LEA use ARP ESSER funds to repair and improve school facilities to reduce risk of virus transmission, address environmental health hazards, and/or improve ventilation? Consider the LEA's Health and Safety Plan in developing the response.

The LEA will utilize ARP ESSER funds to purchase curriculum in core subject areas to address students' academic needs. This curriculum will address the interventions needed for students who have learning loss due to COVID-19. In addition, the funds will be utilized to employ a school social worker who will be on staff full time to address student and staff social, emotional mental health. In order to address access to instruction, a remediation teacher will be utilized to provide one on one or small group instruction to students who are academically behind. The LEA will continue to follow recommendations, as feasible, as mitigation efforts to maintain the health and safety of students and staff. These mitigation efforts are outlined in the District Health and Safety Plan. The District will utilize ARP ESSER funds to create a cafeteria space in our high school (the high school does not have a cafeteria) to improve the facilities which will help reduce the risk the covid transmission. This cafeteria space will keep the high school and elementary student students separated to help reduce covid transmission.

**9. For LEAs with one or more Comprehensive Support and Improvement (CSI) or Additional Targeted Support and Improvement (ATSI) school only**

Please verify consultation of the [Evidence Resource Center](#) in developing the LEA Plan for the Use of

ARP ESSER Funds and provide a justification for any intervention that is not supported by tier 1, 2, 3, or 4 evidence. If the LEA does not include a school with a CSI or ATSI designation, indicate "Not Applicable."  
**(3,000 characters max)**

Not Applicable

**10. 20% Reservation Calculation**

Please enter your ARP ESSER total allocation amount and then click Save.

**\*Please ensure that your 20% (or greater) budgeted amount for Learning Loss is itemized in your Budget.**

	ARP ESSER Allocation	Reservation Requirement	Reservation Amount (calculated on save)
<b>20 Percent Reservation</b>	1,019,634	20%	203,927

**Section: Narratives - Monitoring and Measuring Progress**

**Section IV: Monitoring and Measuring Progress**

In this fourth section, LEAs are asked to describe efforts to build local capacity to ensure high-quality data collection and reporting to safeguard funds for their intended purposes.

**11. Capacity for Data Collection and Reporting**

LEAs must continuously monitor progress and adjust strategies as needed. Describe the LEA's capacity and strategy to collect and analyze data (disaggregated by student group, where applicable), for each of the following measures:

	<b>Data Collection and Analysis Plan (including plan to disaggregate data)</b>
<b>Student learning, including academic impact of lost instructional time during the COVID-19 pandemic</b>	The LEA will utilize MAPS assessments and local assessments to collect data to determine academic progress. In addition, local assessment data will also be collected. Staff will collaborate multiple times per year to analyze the data. Decisions will be made on this analysis to determine instructional needs of students.
<b>Opportunity to learn measures (see help text)</b>	Technology will be provided for students and staff to have continuous access to curriculum and instruction. A technology plan is in place to ensure consistent replacement of devices. Professional development will be provided for teachers on the use of technology and instruction. The professional development committee will plan professional development.
<b>Jobs created and retained (by number of FTEs and position type) (see help text)</b>	ARP ESSER funds were used to create a full time remediation teacher at the elementary level. This position is used for providing intensive instruction to students showing a learning gap due to school closures. In addition, a part time para professional has been able to stay on staff by utilizing these funds. The para is also used to help students close the learning gap due to school closures.
<b>Participation in programs funded by ARP ESSER resources (e.g., summer and afterschool programs)</b>	The LEA will utilize funding to provide after school and summer school programs for students in grades K-12. Student learning loss will be identified by utilizing assessments. These students will be encouraged to participate in these programs. The funds will also be used to purchase resources and materials for the programs.

## **Section: Narratives - ARP ESSER Assurances**

### **ARP ESSER Fund Assurances**

Please complete each of the following assurances prior to plan submission:

The LEA will implement appropriate fiscal monitoring of and internal controls for the ARP ESSER funds (e.g., by updating the LEA's plan for monitoring funds and internal controls under the CARES and CRRSA Acts; addressing potential sources of waste, fraud, and abuse; conducting random audits; or other tools).

The LEA will complete quarterly Federal Financial Accountability Transparency Act (FFATA) reports and comply with all PDE reporting requirements, including on matters such as:

- How the LEA is developing strategies and implementing public health protocols including, to the greatest extent practicable, policies and plans in line with the CDC guidance related to mitigating COVID-19 in schools;
- Overall plans and policies related to LEA support for return to in-person instruction and maximizing in-person instruction time, including how funds will support a return to and maximize in-person instruction time, and advance equity and inclusivity in participation in in-person instruction;
- Data on each LEA's and school's mode of instruction (fully in-person, hybrid, and fully remote) and conditions;
- LEA uses of funds to meet students' social, emotional, and academic needs, including through summer enrichment programming and other evidence-based interventions, and how they advance equity for underserved students;
- LEA uses of funds to sustain and support access to LEA-supported early childhood education programs;
- Impacts and outcomes (disaggregated by student subgroup) through use of ARP ESSER funding (e.g., quantitative and qualitative results of ARP ESSER funding, including on personnel, student learning, and budgeting at the school and district level);
- Student data (disaggregated by student subgroup) related to how the COVID-19 pandemic has affected instruction and learning;
- Requirements under the FFATA; and
- Additional reporting requirements as may be necessary to ensure accountability and transparency of ARP ESSER fund use.

The LEA will cooperate with any examination of records with respect to such funds by making

records available for inspection, production, and examination, and authorized individuals available for interview and examination, upon the request of: (a) the United States Department of Education and/or its Inspector General; (b) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority; (c) the Pennsylvania Department of Education; and/or (d) the Pennsylvania Auditor General, Pennsylvania Inspector General, or any other state agency.

Records pertaining to ARP ESSER Funds, including financial records related to the use of grant funds, will be tracked and retained separately from those records related to the LEA's use of other Federal funds, including ESSER I and ESSER II Funds.

The LEA will maintain inventory records, purchase orders and receipts for equipment (over \$5,000) purchased, all computing devices, and special purpose equipment (\$300 - \$4,999), and will conduct a physical inventory every two years. Please note: inventory of equipment purchased with federal funds must be broken out by funding source.

Any LEA receiving funding under this program will have on file with the SEA a set of assurances that meets the requirements of section 442 of the General Education Provisions Act (GEPA) (20 U.S.C. 1232e).

The LEA will conduct its operations so that no person shall be excluded from participation in, be denied the benefits of, or be subject to discrimination under the ARP ESSER program or activity based on race; color; national origin, which includes a person's limited English proficiency or English learner status and a person's actual or perceived shared ancestry or ethnic characteristics; sex; age; or disability. These non-discrimination obligations arise under Federal civil rights laws, including but not limited to Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments Act of 1972, section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975. In addition, the LEA must comply with all regulations, guidelines, and standards issued by the United States Department of Education under any of these statutes.

The LEA will comply with all ARP Act and other ARP ESSER requirements, including but not limited to complying with the maintenance of equity provisions in section 2004(c) of the ARP

Act. Under Maintenance of Equity, per-pupil funding from state and local sources and staffing levels for *high poverty schools* may not be decreased by an amount that exceeds LEA-wide reductions in per-pupil funding and staffing levels for *all schools* served by the LEA<sup>1</sup>. High poverty schools are the 25 percent of schools serving the highest percent of economically disadvantaged students in the LEA as measured by information LEAs submitted in PIMS that includes individual student data and identifying if the student meets economically disadvantaged criteria. This data is used to calculate school poverty percentages . Note: An LEA is exempt from the Maintenance of Equity requirement if the LEA has a total enrollment of fewer than 1,000 students, operates a single school, serves all students in each grade span in a single school, or demonstrates an exceptional or uncontrollable circumstance, as determined by the United States Secretary of Education.

<sup>1</sup>Calculations for Maintenance of Equity: Per Pupil Funding from combined State and local funding = Total LEA funding from combined State and local funding for all schools served by the LEA in the given fiscal year, divided by the number of children enrolled in all schools served by the LEA in the given fiscal year. Full time equivalent staff = Total full-time equivalent staff in all schools served by the LEA in the given fiscal year, divided by the number of children enrolled in all schools served by the LEA in the given fiscal year. These calculations should be completed for all schools in the LEA as well as for high poverty schools in the LEA for FY 2021-22 and 2022-23. Reductions must not be greater for high poverty schools than for all schools in the LEA.

The LEA will implement evidence-based interventions, as required by section 2001(e)(1) of the ARP Act.

The LEA will address the disproportionate impact of the COVID-19 pandemic on underserved students (i.e., students from low-income families, students from underserved racial or ethnic groups and gender groups, English learners, children with disabilities, students experiencing homelessness, children and youth in foster care, migrant students, and other groups disproportionately impacted by the pandemic that have been identified by the LEA) as required by section 2001(e)(1) of the ARP Act.

The LEA will develop and make publicly available a Plan for the Safe Return to In-Person Instruction and Continuity of Services, hereinafter referred to as the LEA Health and Safety Plan, that complies with section 2001(i) of the ARP Act. The plan will be submitted to PDE, in a manner and form determined by PDE, no later than July 30, 2021.

The LEA's Health and Safety Plan will include (1) how the LEA will, to the greatest extent practicable, support prevention and mitigation policies in line with the most up-to-date guidance from the CDC for the reopening and operation of school facilities to effectively maintain the health and safety of students, educators, and other staff; (2) how the LEA will ensure continuity of services, including but not limited to services to address the students' academic needs, and students' and staff members' social, emotional, mental health, and other needs, which may include student health and food services; (3) how the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policy on each of the following safety recommendations established by the CDC: (a) universal and correct wearing of masks; (b) modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); (c) handwashing and respiratory etiquette; (d) cleaning and maintaining healthy facilities, including improving ventilation; (e) contact tracing in combination with isolation and quarantine, in collaboration with the State and local health departments; (f) diagnostic and screening testing; (g) efforts to provide vaccinations to school communities; (h) appropriate accommodations for children with disabilities with respect to health and safety policies; and (i) coordination with state and local health officials.

The LEA will review its Health and Safety Plan at least every six months during the duration of the ARP ESSER grant period and make revisions as appropriate. When determining whether revisions are necessary, the LEA will take into consideration significant changes to CDC guidance on reopening schools and will seek public input and take public input into account.

The LEA's Health and Safety Plan will be made publicly available on the LEA website and must be written in a language that parents/caregivers can understand or be orally translated for parent/caregivers and must be provided in alternate format upon request by a parent/caregiver who is an individual with a disability.

The LEA will provide to PDE: (1) the URL(s) where the public can readily find data on school operating status; and (2) the URL(s) for the LEA websites where the public can find the LEA's Health and Safety plan as required under section 2001(i) of the ARP Act; and the LEA Plan for the Use of ARP ESSER Funds.
