

## WHS Virtual Days in December 2020

Dear Parent(s)/Guardian(s):

Hopefully you are aware that the Williamsburg Jr./Sr. High School will continue operating virtually when school resumes on Tuesday, December 1st. Even though the students will be working from home, teachers will still be educating our students and will be available to assist them throughout the school day.

Students will need to log in to their chromebooks between **7:00 AM - 7:50 AM using the “Daily Virtual Attendance” Google Form** (which is located on the Williamsburg High School Website). The high school office will keep track of the students’ attendance. It is vital that students stay connected and engaged with their assignments during this temporary virtual setting. Students who attend the **GACTC will need to log in to the “Daily Virtual Attendance” Google Form no later than 11:20 AM.**

When we resume school on Tuesday, December 1st, student assignments will be given to students using Canvas, the Williamsburg Community District’s learning management system that we started using with our students in August. We will still be using the Blue and White days, meaning periods 1, 3, 5a, 5b, 7, & 9 will be taught on our Blue days and periods 2, 4, 5a, 5b, 6, & 8 will be taught on our White days. (See below for the Blue/White calendar for the month of December) On Tuesday, teachers will begin live-streaming their classes during the SAME TIME period they are normally taught in school and students are REQUIRED to be in attendance. Attendance and academic performance do count towards students’ grades for the 2nd marking period.

The Greater Altoona Career and Technology Center will be operating fully virtually starting on Wednesday, December 2nd. Please see the letter on the high school website for specific information.

I urge you as parents to make sure your child is doing their work and staying involved in the educational studies. Please let us know if you have any questions or if your child is having any issues in regards to their work. The high school staff will still be in the school during our normal operating hours to assist them. Thank you for working with us to provide the best education for our students!

Respectfully,

Michael Jones

WHS Secondary Principal
