Williamsburg Elementary students and staff will celebrate Valentine's Day on **Wednesday, February 14, 2024**. Students may create Valentine boxes at home to enter in the Student Council's Valentine box competition, just as we have in past years. Student Council members will judge the Valentine boxes and choose entries from one boy and one girl as winners from each class. Encourage your child to get creative!

Additionally, students may bring in Valentine cards for the students in their classroom. Your child's teacher will provide you with a class list. We ask that all students bring both their Valentine boxes and Valentine cards to school by **Monday, February 12, 2024**. We look forward to celebrating Valentine's Day together with your child!
